HOW TO SUPPORT YOUR CHILD

Encourage them to learn vocabulary on a regular basis.

Offer to test them on their vocabulary. Even if you do not know the language, they can spell out the words to you.

Ensure that they are aware of deadlines for assessments/coursework / module tests. Keep a note of these important dates and remind them.

If you have internet access encourage them to log onto language websites including www.linguascope.com, www.languagesonline.org.uk and a variety of other websites... see list attached

If your son / daughter is absent, impress on them the need to copy up any work missed - especially new vocabulary and grammar structures.

HOW TO SUPPORT YOUR CHILD

Encourage them to look at corrections to written work so that they learn from them and avoid making the same mistakes again.

Encourage them to listen to any French / Spanish available on the radio / television.

If you are going to a French / Spanish speaking country do encourage them to use their language.

Talk to them about the reasons they are learning a language; cultural awareness, improved knowledge / understanding of their own language, improved job prospects, development of valuable skills, ability to communicate, opening up of more possibilities.

Stay positive!
