

Operation: Face-Mask

Operation: 'Face-Mask'

In the Bible it says that God gave us this world to look over it...

'The Lord God took the man and put him in the garden of Eden to work it and keep it.' ...

Genesis 2:15

...Therefore, God has made us stewards of the world;

- ...to care for creation responsibly...
- ...to be stewards rather than consumers...
- ...and to protect it for future generations.

...but naturally, with the pandemic, we have seen an increase in the use of disposable face-masks....

...However, disposable face-masks are having a big impact on our planet...

...and so we all have a duty to do our bit to try and help this issue, to care for our planet in any way we can. Therefore, on the next few slides are ways on how you can help our world in a small way but also help to raise a bit of money for charity...

All-powerful God, you are present in the whole universe and in the smallest of your creatures.

You embrace with your tenderness all that exists.

Pour out upon us the power of your love, that we may protect life and beauty.

Bring healing to our lives, that we may protect the world and not prey on it, that we may sow beauty, not pollution and destruction. Touch the hearts of those who look only for gain at the expense of the poor and the earth.

Teach us to discover the worth of each thing, to be filled with awe and contemplation, to recognize that we are profoundly united with every creature as we journey towards your infinite light.

We thank you for being with us each day.

Encourage us, we pray, in our struggle for justice, love and peace.

(Pope Francis)

St Julie, pray for us, protect us and bless us, **Amen**
