Lost Property

Did you know? Thousands of items are left on our buses each year!

Our drivers collect all property left on our buses and return it to their depot at the end of the day.

If you believe you have lost an item of property on one of our buses, call our Lost Property team on **0345 646 0707**, who will check to see if it has been handed in.

If we have your property, you'll be able to collect it from the relevant office shown below.
Our offices are closed on Bank Holidays.

Any lost property found on our vehicles, providing the item is not perishable, will be kept for one month.
