Click register new user – on the school drop down select out of area and then create new account.

**Choose your current school or provider**  
First, we need to check to see if your school/provider have already signed up to use Sheffield Progress.

Out of Area or Not Listed

As your school/provider is not on our system, you will need to register a new account on the system. Click 'Create a new account' and follow the steps to create a new account.
