MONITORING

We now have four monitoring cycles:

	Approach to Learning	Progress
Sept	All year groups	
Dec		Y8-13
Mar		Y7-13
July		Y7-10 and Y12

Approach to Learning Grade Descriptors

Outstanding: you are a role model to others

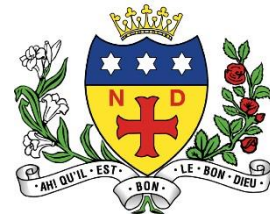

Good: you are meeting our expectations

Needs to improve: your approach to learning is inconsistent

Serious Concern: rapid and significant improvements need to be made

These are the areas that teachers will be assessing each monitoring cycle

Engagement	<ul style="list-style-type: none">• Focus in lessons, how well you are listening/concentrating• Participation in lessons, taking part in activities• How hard you try• How you respond to advice and improve your work
Community Conduct	<ul style="list-style-type: none">• How respectful you are to others – both staff and students so that you allow others to learn• How you behave – eg calm and considerate of others• How safe your behavior is both in class and around school
Personal Organisation	<ul style="list-style-type: none">• How well you complete homework• How punctual and ready to learn you are• How well equipped you are for lessons and school – eg correct uniform, equipment, journal, etc

Our Uniform – shoes

For your clarity, here are some images of shoes which you are able to wear for school:

Shoes must be black and covered shoes, suitable for school:

They must NOT be fashion shoes, or boots, NOT trainer type and NOT suede. NOT like these.

Common issues

Skirts

- Have to have the badge which must be visible
–no old style skirts
- Worn to the knee

Jumper

- School jumper must be worn and not the PE sweatshirt during the day
- It must come to school everyday
- The jumper is the school uniform not a coat. If a student needs to wear a coat then their jumper must be on as well

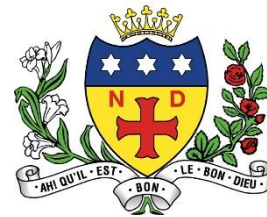

Hoodies/Sweatshirts/Coats with logos

- These should not be worn at any time in school- including leaving the premises
- If a student is cold in winter they need to layer up underneath the polo shirt and jumper

ATTENDANCE

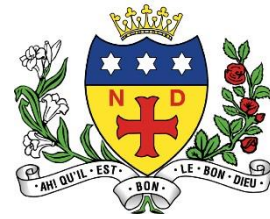

95%	=	40 LESSONS MISSED EACH YEAR 8 days in total or 1 week and 3 days
90%	=	80 LESSONS MISSED EACH YEAR 16 days in total or 3 weeks and 1 day
85%	=	120 LESSONS MISSED EACH YEAR 24 days in total or 4 weeks and 4 days
80%	=	160 LESSONS MISSED EACH YEAR 32 days in total or 6 weeks and 2 days

ATTENDANCE MATTERS

WHAT DO YOUR ATTENDANCE FIGURES ACTUALLY MEAN?

BE SMART BE THERE!
Percentages based on 190 academic days

A number of recent studies have shown that there is a clear and direct relationship between pupil attendance and achievement.

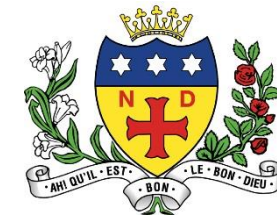

Absence through illness Parents/carers should inform the school of illness (0114 2302536) on the every day of absence by either phone or email kbirkinshaw@notredame-high.co.uk **and** ataylor@notredame-high.co.uk

Appointments Wherever possible, we would ask that medical and dental appointments be made outside school hours, but when this is not possible the student should sign out from student reception on leaving school and sign in on his/her return. For safeguarding purposes it is essential that we know where your child is at all times.

Holidays Please DO NOT arrange holidays in term time as these cannot be approved. In extreme circumstances, parents may request permission for leave of absence from the head teacher who may give permission. This is NOT an automatic entitlement of parents. **A leave of absence form** can be downloaded from the policies' section in the parent tab on our website and must be submitted at least **FOUR** weeks in advance.

Government Covid Guidance

	No positive COVID test	Positive COVID test
Mild symptoms, eg runny nose, slight cough	Continue to attend school	
Unwell and high temperature	Stay at home until you are well enough to attend school AND no longer have a high temperature	Time spent at home and avoiding contact with others should be a minimum of 3 days

Want to talk to someone about an issue or just to get advice?...
Are you feeling stressed?...

Then start by looking at these pages (50-54) in your **journal**...

One of the clearest bits of safeguarding advice we can give to young people and their parents is to leave mobile devices out of the bedroom when children are going to sleep.

Adolescents who do not get enough sleep are more likely to

be overweight

not get enough physical activity

suffer from depressive symptoms

engage in unhealthy risk behaviors such as drinking alcohol, smoking tobacco, and using illicit drugs

perform poorly in school

Blue light can harm sleep

Teens increasingly use screens in bed

68%

of young people think using phones at night affects school work

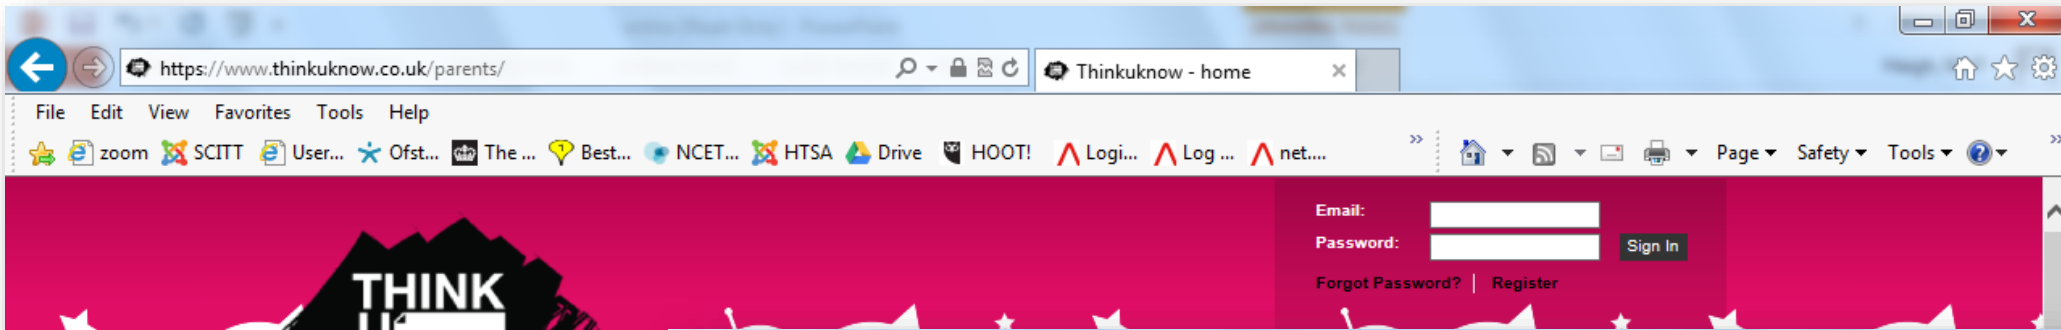

45% check their phone after going to bed

10% do so more than 10 times a night

Dear Parents/carers, On Monday (20th) we will be having our Christmas jumper day! This will be an own clothes day to
encourage the students to wear Christmas jumpers if they have them to bring some more festival joy to school. Instead
of going out to buy new Christmas jumpers which they might only wear once we will be encouraging the students to make their
own Christmas jumpers using old jumpers, tinsel, fairy lights etc. We are asking for a £1 donation for the own clothes day which will be
donated to the St Wilfrid's Centre. However, if you do not feel you can pay this then any donation you make is appreciated.
If you wish to donate more to this cause then please feel free. St Wilfrid's Centre is a charity that care for vulnerable people
in Sheffield including the homeless and socially excluded. Christmas is a particularly difficult time for these groups of people
and St Wilfrid's doing excellent work during this period to support them. Whilst this is an own clothes day there are still some
rules that the students must follow regarding what they can wear. These can be found on the next page. If students don't follow
the rules, we do have clothes that they will be required to wear. If your child has PE period 1 then they should come to school
in their PE kit. If they don't have their own kit then they can borrow one from the school. If you have any questions please
contact the school.
