

# Iceland 2023

# Iceland 2023

## ► Trip 1

**10<sup>th</sup> – 14<sup>th</sup> April  
2023**

- The details and itinerary for both trips are exactly the same

## ► Trip 2

**17<sup>th</sup> – 21<sup>st</sup> April  
2023**

# Iceland 2023

- ▶ There are a number of important things that you need to be aware of before going on the trip.
- ▶ All of this information is available via the school group directories (G drive) in the Geography folder (then Iceland 2023).

# Coronavirus

- ▶ There are no travel restrictions nor a need to be vaccinated or have a vaccine passport.

# A quick intro to Iceland

- ▶ The following clip will give you a little feel for the natural beauty of Iceland. Don't get carried away though, the whale watching and 4x4 glacier driving is way too expensive for our budget!
- ▶ <http://www.youtube.com/watch?v=8idS8wVrhb0>
- ▶ [https://www.youtube.com/watch?v=SQuki\\_8COXs](https://www.youtube.com/watch?v=SQuki_8COXs) Short Sigur Ros clip. Scenery.

# Geysir

# Gullfoss waterfalls

# Iceland 2023

- ▶ Before we begin, please bear in mind that none of us are Iceland experts so there will be things that are a bit new for all of us!!
- ▶ I will answer any questions as well as I possibly can, though I may need to refer some questions to our travel company and get back to you.
- ▶ It is 5 years since we have run a trip to Iceland now so some of the figures may be a little out of date. I have tried to update things as much as possible.

# Iceland 2023

- ▶ Some of the things we'll see/do include:
- ▶ The Golden Circle tour including Geysir, Gullfoss, Thinvellir & the Blue Lagoon.
- ▶ The South Shore tour which includes Seljalandsfoss and Skógafoss Waterfalls and if road conditions allow a trip to the tongue of the Sólheimajökull Glacier and an organised glacier walk.
- ▶ Reykjanes peninsula.

# Iceland 2023

- ▶ The most important thing is to be aware of what you are responsible for in terms of equipment.
- ▶ I've attached a kit list (see later slide).
- ▶ You **MUST** make sure that you have your own passport.
- ▶ If you are travelling on a non UK passport please make sure that you have checked any entry/visa requirements. This isn't something that I can do/be responsible for. Any visa confirmation you have received from a relevant embassy please have in writing/on an email.

# Iceland 2023

- Kit suggestions

- Money, passport, European/Global Health Insurance Card (EHIC/GHIC) if you have one. Some discussion on emails regarding this and whether you need it/is it accepted. I've read some conflicting information. Better to have it and not need it. We do have travel insurance too.
- One manageable size suitcase or rucksack (students will be responsible for carrying their own baggage around).
- A carry on bag for flight hand luggage (ideally a small rucksack that can be used for day trips in Iceland).
- Camera/phone with spare memory card/plenty of memory.

# Iceland 2023

- Good, strong walking/outdoor shoes/boots (with suitable socks for warmth & comfort). Trainers can lack grip.
- Warm, waterproof coat. If you have a fleece or down jacket you will want a waterproof to go over the top in wet weather.
- Warm, waterproof trousers would be very useful (or waterproofs as over trousers). Jeans alone can get very wet & cold and can remain so all day. It is likely to be pretty cold whilst we are there!

**This isn't typical of  
the terrain you'll  
experience but it  
does highlight the  
need for sensible  
footwear!**

# Iceland 2023

- Warm jumper/fleece top.
- Hat (very important), gloves & scarf. I have taken disposable hand warmers (these are available from outdoor shops such as Go Outdoors for about £2 each).
- Sunglasses (protect against glare from ice/snow), though try to avoid bringing expensive glasses – think about a glasses case to protect your sunglasses.
- Wash kit, swim towel & wash towel.

# Iceland 2023

- Books/magazines to read.
- Playing cards, small games, phone for music etc (please note that anything of value is brought at the students own risk).
- Lunch is provided on the Tuesday, Wednesday & Thursday in Iceland but you may want to bring pringles, dried fruit, cereal bars, biscuits etc so that you minimise what you need to buy.

# Iceland 2023

- Swimming gear for Secret Lagoon & outdoor heated pool in Reykjavik (see next slide).
- Personal medication (staff are not permitted to dispense any medication, including paracetamol).
- Please ensure that any medical notes and medication are noted on the medical form.

# Iceland 2023

- ▶ Swimming in Iceland.....
- ▶ If you do some research you'll see this is a much talked about topic.
- ▶ Basically the requirement at **ALL** Icelandic swimming pools is to shower properly (naked with soap) **BEFORE** putting your swimming gear on. Icelandic pools use water with very few chemicals in it so they are very strict on people following these rules.
- ▶ It is very 'normal' in Iceland but something that you should know about before we go. If this is likely to be an issue for you let us know – the Blue Lagoon and possibly the swimming evening are paid for as part of the trip but you don't have to go in if you don't want to. I believe that the Blue Lagoon has private cubicles for showering.
- ▶ <https://www.getlocal.is/blog/the-icelandic-swimming-pool-rules>

# Iceland 2023

- **Plug adapter for hair dryer, phone charger etc.**
- **Re-sealable drinks bottle for daily use (or buy water over there and use the bottle every day).**
- ▶ Cameras – Take lots of pictures!! If you are taking a camera make sure you have plenty of memory card space – equipment such as this is expensive in Iceland. Make sure you have a suitable camera case.
- ▶ I'll be on the lookout to see if there is an IT enthusiast who is willing to put together a souvenir presentation for us from our photos so if that's you let me know.

# Iceland 2023

- To minimise some of the things you need to take perhaps you would like to arrange for one person to bring one thing eg adapter and someone else to bring playing cards etc. To reduce your checked in luggage weight you might want to wear your big, heavy coat on the way to the airport and just carry it through security onto the plane.
- We cannot be responsible for any excess baggage charges.
- Please check the limitations on hand baggage size & contents eg any make up, gels, fluids etc need to be in a clear re-sealable bag eg a food bag. 100ml per container limit for gels/liquids.
- Check the Manchester airport website – <https://www.manchesterairport.co.uk/help/passenger-guides/security/> and <http://www.icelandair.co.uk/>

# Iceland 2023

- ▶ Hold baggage weight limit – 1 bag, 23KG max.
- ▶ Hand baggage – 1 piece per passenger. Must be no larger than 55x40x20cm and weigh no more than 10KG.

# Iceland 2023

## ▶ **While packing**

- ▶ You are only allowed to take small quantities of liquids in your hand baggage.
- ▶ These liquids must be in individual containers with a maximum capacity of 100 millilitres each.
- ▶ You must pack these containers in one transparent, re-sealable plastic bag measuring approximately 20 x 20 cms.

## ▶ **At the airport**

- ▶ To help screeners detect liquids, you must:
- ▶ present all liquids carried to the screeners at security checkpoints for examination

# Iceland 2023

- ▶ **Liquids include:**

- ▶ contents of pressurised containers, including shaving foam, other foams
- ▶ water and other drinks, soups, syrups and deodorants
- ▶ creams, lotions and oils
- ▶ pastes, including toothpaste
- ▶ perfumes
- ▶ liquid-solid mixtures
- ▶ sprays
- ▶ mascara
- ▶ gels, including hair and shower gels
- ▶ any other item of similar consistency

# Iceland 2023

- ▶ MONEY
- ▶ Bit of 'best guess' work involved in this I'm afraid.
- ▶ We've usually recommended £15-£20 per day as a guide.
- ▶ The only things students have to buy is any snacks/drinks in addition to meal time allowances. As we will be travelling around lunchtime on day 1 perhaps students might want to bring sandwiches or buy a Boots meal deal at the airport? I find this the best option.
- ▶ Icelandair is a cashless airline so whilst snacks can be bought on board they can only be paid for by card.
- ▶ Day 5 will be travelling home so again UK costs apply.
- ▶ Other costs are optional eg postcards, souvenirs etc.
- ▶ Lunch is provided to take away from the hotel. We haven't done this before so I can't vouch for its contents. Based on the food at the hotel it should be pretty decent. Other light lunches can usually be sourced for approx £10-15 per day. Coffee around £3.50. I'd say stock up and have a big breakfast and then graze through to the evening.
- ▶ One thing to consider is that since our last visit there has been the eventual conclusion to Brexit and there's been a few years of the pound generally becoming weaker – so things will be more expensive.

# Iceland 2023

- ▶ Money
- ▶ From past experiences I'd say that the Post Office have always been a good source for me.
- ▶ I've previously spoken to the manager at the Broomhill Post Office. Whilst Icelandic Krona need to be ordered he's told me that if you order it by 2pm it should be in the next day.
- ▶ Possibly group together to minimise fees?
- ▶ Don't leave it to the airport – rubbish rates.
- ▶ Stick your money together when you get back to sell your Krona back to the Post Office/bank. Get rid of small notes and coins. 1000 Krona = just under 6 pounds.

# Iceland 2020

- ▶ Students may want to bring cereal bars, dried fruit, biscuits etc. It's up to you. I take some dried fruit and boiled sweets and biscuits/cereal bars.

# Iceland 2023

- ▶ TIMINGS
- ▶ We will be departing school early on Monday 10<sup>th</sup> April/17<sup>th</sup> April. I would ask for a 07:30 meeting at school. The coach is schedule to depart at 08:00. Driver hours permitting getting gone a little earlier is always preferable.
- ▶ If you happen to arrive before the coach could I ask that a **large** space be left for the coach to get into – across the top of the main drive/gates. There'll be plenty of space for short term parking both sides of the road with it being Easter Monday.
- ▶ Slightly different with trip 2 but lots of local parking along Fulwood Road/Riverdale Road/over by the Ranmoor pub.

# Iceland 2023

- TIMINGS
- When we return to the UK we again have an early morning departure. We should arrive at Manchester by 11:45am on Friday 14<sup>th</sup>/21<sup>st</sup> April. We then need to collect bags, clear customs and get the coach back. The itinerary has us down to arrive back at school 14:15 but I think this is a bit of a squeeze in time getting out of Manchester airport. We hope to be back at school somewhere in the region of 2:30 - 3pm. I'm suggesting that people phone parents from the coach to inform them of a more accurate arrival time. Could I ask that you make suitable arrangements to collect your child from school, possibly sharing lifts where appropriate.
- If your child is making their own way home from school could you please write me a note/e-mail me to confirm these arrangements.

# Iceland 2023

- ▶ Our travel times are a bit awkward on the way home. Even though we'll be at Manchester airport around lunchtime on the Friday we don't really want 56 of us queuing up at Subway and slowing down our onwards journey considerably!
- ▶ We won't starve on the way home (early breakfast at the hotel) but your son/daughter may be hungry as we'll just grab something quick to go eg fruit, pringles, Greggs, Boots meal deal etc at the airport on the way to the coach.

# Iceland 2023

- ▶ ROOMINGS
- ▶ We will finalise this with students one lunchtime over the next couple of weeks. I'm still awaiting final roomings from the travel company.
- ▶ Rooms are multi bedded, en-suite with towels provided.
- ▶ From past experience most of the rooms given to us are twin rooms.
- ▶ I can't guarantee when we will receive the room allocations. I know room allocations are important and we will sort as soon as we can. Please keep an eye on student emails.

# Iceland 2023

- LIGHTS OUT (ZZZ ZZZ ZZZ!!!)
- We will arrange a suitable time upon arrival in Reykjavik, though we will probably expect lights out by around 10:30pm. We have very early mornings with breakfast around 7:30am -8am and a totally full day with arrival at the hotel not expected until just before our evening meal, or in fact not until after our evening meal.

# Iceland 2023

- ▶ With such hectic days everyone will need their sleep (especially staff!!) so we will insist on high standards of behaviour with no noise or movement between rooms after 'lights out' time. This will help maximise everybody's enjoyment of the trip.
- ▶ Needless to say no mixing of boys and girls in rooms. Stick to your own rooms please.
- ▶ Please be aware that we are staying in a VERY popular hotel with lots of other guests so it's not a running around, banging doors type of place!!

# Iceland 2023

- ▶ Punctuality is very important. As we've seen we will have very busy days and prompt starts in the morning so all those people out there who are not morning people (not sure which staff this applies to) need to be up and sorted ready to head off for the day!

# Iceland 2023

- CONTACTING HOME
- As you will have noticed, Iceland is an expensive country. Students are way smarter than me at looking at best ways to use their phones whilst away. Wifi should be available in the hotel.
- If you intend on using your mobile, please look into the costs associated with it before you go.

# Iceland 2023

- ▶ Current weather. The BBC website provides good, accurate, up-to-date information.  
<https://www.bbc.co.uk/weather/3413829>
- ▶ Weather over the last few days in Reykjavik has been cold but your trip is a month away.
- ▶ There can also be a strong breeze and from experience of being cold in Iceland in March/April and September I can tell you this is what makes the difference. Wrap up!!! The wind chill must be understood.
- ▶ The last time we went in 2018 saw a lot of snow on the day we travelled followed by 5 days of wall to wall sunshine – definitely a need for shades to protect your eyes.
- ▶ Basically, come equipped for everything!

# Iceland 2023

## Flight details

Icelandair from  
Manchester to  
Reykjavik

- ▶ Outbound flight  
10/04/23 @ 12:55  
(FI 441). Arrive  
14:40
- ▶ Return flight  
14/04/23 @ 08:00  
(FI 440). Arrive  
11:45

# Iceland 2023

## Flight details

Icelandair from  
Manchester to  
Reykjavik

- ▶ Outbound flight  
17/04/23 @ 12:55  
(FI 441). Arrive  
14:40
- ▶ Return flight  
21/04/23 @ 08:00  
(FI 440). Arrive  
11:45

# Iceland 2023

- ▶ <http://www.lonelyplanet.com/iceland> may provide useful reading material.
- ▶ The main things you'll want to read about are the South Shore tour, the Golden Circle, the Secret Lagoon, Reykjanes peninsula and possibly the Northern Lights (though please don't get your hopes up!!!!!!)

# Iceland 2023

- ▶ Our trip is booked through Rayburn Tours .
- ▶ We'll be staying at Hotel Cabin in Reykjavik
- ▶ Borgartun 32
- ▶ REYKJAVIK
- ▶ ICELAND
- ▶ Tel: 00354 511 6030
- ▶ In an extreme emergency contact the hotel – everyone speaks amazing English (apologies for the typically British attitude).
- ▶ We will have a school trip mobile for use in EMERGENCY. I will get this number to you closer to the time.
