Accelerated Reader™

Here at Notre Dame we are passionate about reading!

As well as being fun and interesting, reading regularly can make a huge difference to your academic success overall.

We want to make sure that during your time at Notre Dame you continue to enjoy the magic of books!

Accelerated Reader™

To make reading even more exciting and rewarding, we use a programme called Accelerated Reader. Some of you may have heard of it or used it before.

Accelerated Reader allows you to quiz on the books you read. Every time you quiz you will be given a score telling you how many answers you got correct.
You will also earn points for yourself and your class.

The higher the percentage of questions you answer correctly, the more points you will earn.

Throughout the year there will be many opportunities for individuals and classes to be recognised for their reading achievements.

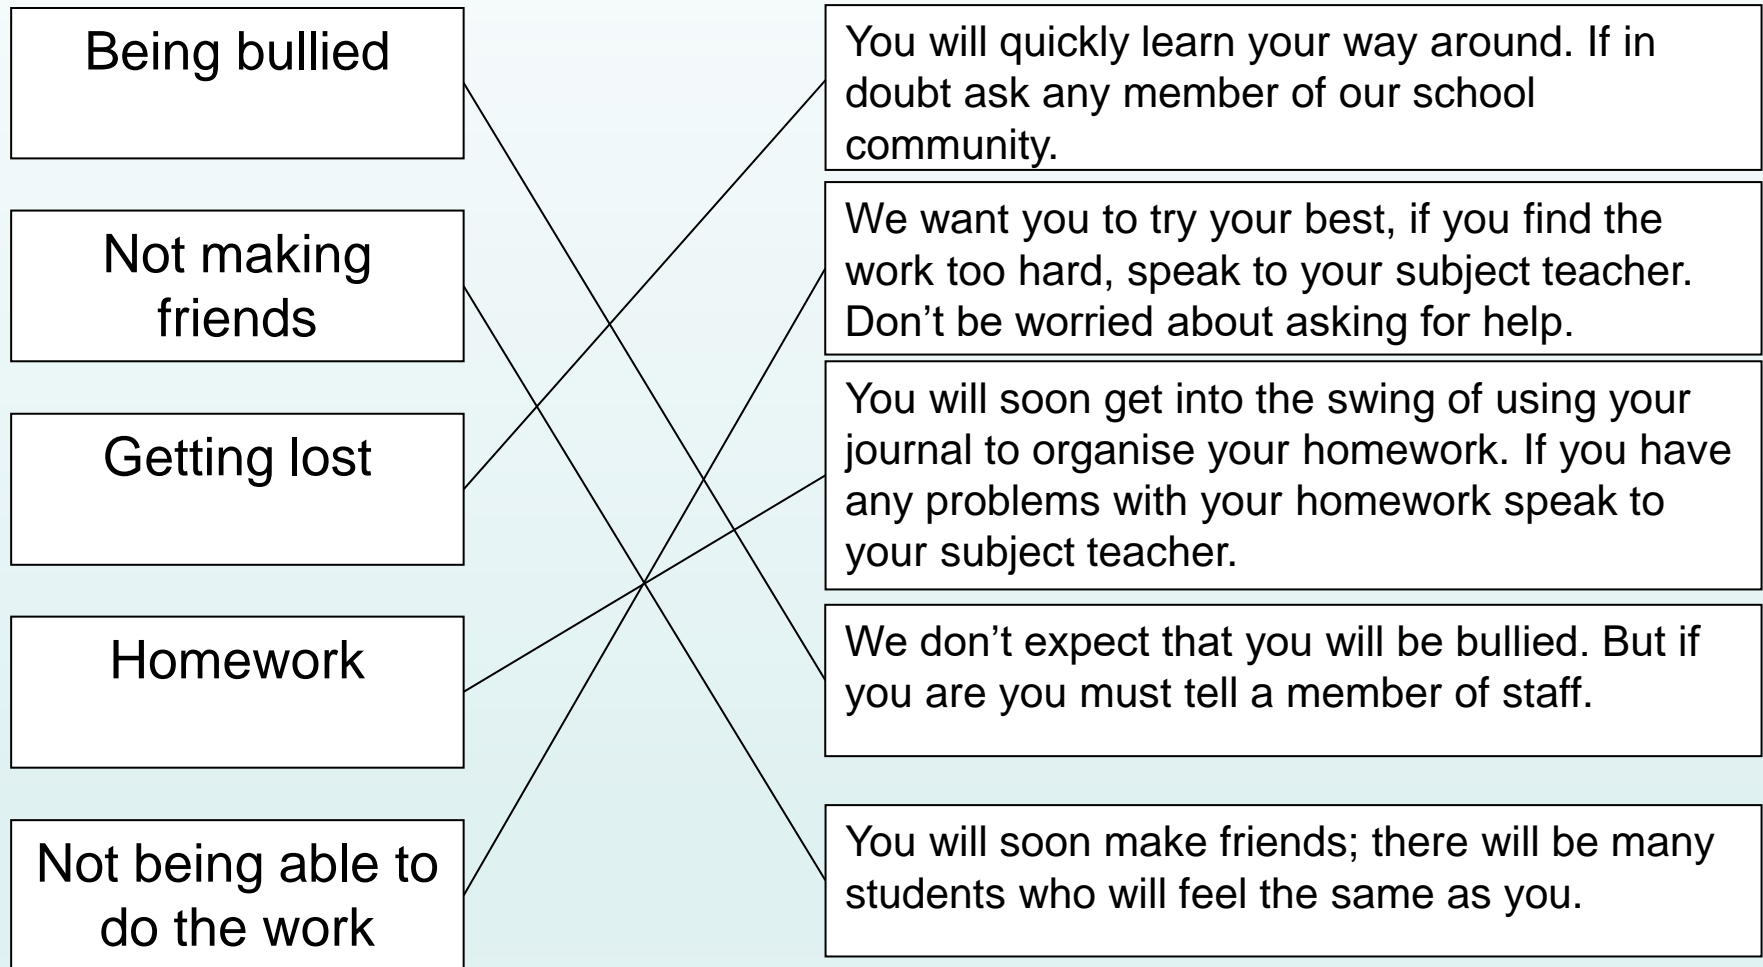

Each week a reading league table will be sent out via SMHW to show which classes have earned the most points.

At the end of every term, winning classes and individual readers will be rewarded with a special treat!
