Introduction

It is the responsibility of the head of centre to ensure that Notre Dame High School has a written conflicts of interest policy in place available for inspection. This policy confirms that Notre Dame High School:

- Manages conflicts of interest by informing the awarding bodies, before the published deadline for entries for each examination series, of:
 - any members of centre staff who are taking qualifications at their own centre which include internally assessed components/units
 - any members of centre staff who are teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) for qualifications which include internally assessed components/units **and**

maintains clear records of **all instances** where:

- exams office staff have members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) being entered for examinations and assessments either at the centre itself or other centres
- centre staff are taking qualifications at their own centre which do not include internally assessed components/units
- centre staff are taking qualifications at other centres (GR 5.3)

Purpose of the policy

The purpose of this policy is to confirm how Notre Dame High School manages conflicts of interest under normal delivery arrangements in accordance with the regulations.

General principles

A process is in place to collect any declaration of interest from all centre staff to identify and manage any potential conflicts of interest.

Declaration process

A declaration of interest form is sent to all staff during the Spring term, completed forms to be returned to Martyn Birch (SLT Exams lead) no later than the Easter break.

Managing conflicts of interest

Any potential conflict of interest is recorded and if appropriate the relevant awarding bodies are notified to

give further advice on any actions needed in order to mitigate the potential risk to the integrity of the examinations series.
