Hello Year 7,
I'm Suzanne and I'm bonkers! You are now a special part of our Notre Dame School Community and I hope that you feel welcome! There are so many beautiful things to say about our school but there is not enough space on here for me to tell you everything! I want you to know that I am always here for you if you ever need me to listen or you just want to come and say 'hello'. You will find my room next to room 201. You can't miss it 😊 My door is always open. It's been said that I make the best hot chocolate, complete with marshmallows and it is free of charge! St. Julie would love my chocolate if she was here today. Be free to be yourselves. God made YOU and YOU are the only one of YOU. Your experience at Notre Dame will last with you forever so make the most of it! Enjoy your time here with your friends and enjoy your lessons. I hope you will come and see me because I can't wait to meet you! Suzanne x
