In Y10 we follow the “Viva” GCSE course. The topics and assessments are:

Module	Vocab Tests	Mid-module Assessment	Formal Assessment
Module 4 ¡Qué rico! • Typical foods in Spanish-speaking countries • Healthy daily routines • Mealtimes and food trends • Comparing old and new habits • Illnesses and injury • Future plans to improve health and well-being	3 vocab tests per module	Writing (80-90 words)	Listening, reading and writing – Foundation papers (Whole school assessment week)
Module 5 ¡A clase! • Schools in Spain • A typical day at school • Talking about your studies • How you would change your school • Talking about students and teachers at school • Describing a past school trip		Speaking	Listening, Reading and Translation into TL

In Year 9 pupils are given a booklet containing the lists of vocabulary from the Edexcel specification, divided by theme and word type. Apart from a small number of unfamiliar words (which will be glossed in the exam or are cognates which can easily be understood), the vocab lists contain all the words that will be in the exams and therefore need to be learned. Regular revision of vocab is key throughout the course (“little and often”) and pupils will also have access to GCSE vocabulary sets via the Quizlet website (Memrise.com is also a great revision tool). In Year 10 your child will also be given a Speaking and Writing Booklet in which they will prepare possible responses for the Speaking and Writing exams.
