Essential Vocabulary Viva 1 Module 4

Below is the key vocabulary that you will be tested on in this module.

You should prepare for each vocab test by writing the vocabulary out from memory and then checking and rewriting.

Keep practising – little and often is best.

The test will have ten questions. For each question you will be given the English word and you will write the Spanish.

Spelling is important.

All of the bronze vocabulary will be included in the test, three items from silver and two from gold. Therefore, if you find some of the words hard, prioritise the Bronze list.
